25X1

C&R, Logistics Annex to an Operation Plan - Working level collaboration is being obtained from all interested and affected offices. Because the subject matter is of such a controversial nature, there has been considerable delay in obtaining comments.

Supply, Operational Supply Room - Working level collaboration is being obtained. Anticipate completion by the middle of February, 1954.

Supply, Field Supply Procedures  
Supply, Detached Stations Supply Procedures - Team in Europe. Progress report due in March.  
REMC, Quarters Overseas - REMC and Transportation portions have been submitted to RDC. Policy decision is required on furniture aspects. A meeting has been set up for 26 Jan. 1954 to resolve policy.

Travel - Development of first draft in progress. Target date for completion is 28 Feb. 1954.

Travel - Movement

Expect no problems in meeting 28 Feb. 1954 target date since headquarters version has been approved and submitted to RCS.

Travel - Return to the U.S. - No longer required. Subjects which were to be covered, have been adequately covered in other proposed regulations of the series.
